INTRODUCTION

Modern football millions from the game billions to the game turning around managed to Football scope and importance increasing day by day is going Football according to men in the middle the world championship Olympics from competitions after of the world the most interesting and audience competition being is standing Modern football not only men perhaps, women to your favorite sport in between is spinning . Football in our country especially Women to football has been attention is also from the year per year positive to changes reason is happening In particular, the President's decree dated December 4, 2019 " In Uzbekistan football absolutely new to stage take exit measures on" No. PF-5887 decree in our country development of football until 2030 in concept Women football development , women football teams infrastructures improvement , women in the middle championship and the first league in competitions competitive teams to create in our country young girls between to football interests gain about one series tasks defined and this through Women Term team for candidates formation Term the team and clubs between international in competitions high the results to the hand input main the goal by doing received In our country Women football development efficient methods determination and official to organizations Suggestions to give Girls between football promote reach methods make it happen.

1. Women's football about society opinions by learning output ; 2. Field development for main factors identify get 3. Different age category Women football competitions to the road to put Each in the questionnaire participant his own personal thoughts Women football development measures light up they gave In our country Women football development for how things need to be implemented said to the question many people differently answer to give can These cases account and we are the same field according to professionals , women football participants (coaches , women players) , Oliy education physical culture and in sports activity walking specialists , women sports direction students with open questionnaire we spent

Asia football confederation by from 2021 at least one young in the category , 2 years from the roof of FIFA category Women in the middle competitions organize reach task from being placed then , each women's professional soccer clubs mainly U-14 and U-16 age groups category Uzbekistan championships organize done 2022 women in the middle Women 10 teams in the competition victory for see take they went Uzbekistan in 2022 championship competition in 3

rounds organize to be done defined and to the end of the 2nd round according to high five place occupied teams in the final round competition victory for see take they go From this except this of the year from the season Women in the middle the first league competitions have started and 5 teams victory for see take they went UzPFL and by the UFA Women football U-14 and U -16 teams formation and to them spend to be done expenses account Uzbekistan championship and from teams contribution from their money free done this of teams young category to teams attention and main of the team content formation for main factor is happening From this Except , UzPFL this young category girls with contract make up demand take that he threw teams for expenses one so much to decrease the ground created

Main the goal Women football in development young the girls to football has been their passions gain and them official competitions through skills to form is being directed . UFA and UzPFL to teams convenience Create in order to U-14 competition territorial football associations using spends Women teams next to and U-16 teams organize will be done. In this: - this young category girls with contract to sign obligation no , player girls agreement deal based on acceptance will be done . So , clubs monthly salaries for excess exit does not ; - competition centralized in the format will be held and big does not require cost ; - He is 16 years old category basically local girls the ball pushes And this to live and eating for big cost to do take does n't come In the end in the regions player to be desired of girls millions to the game come in coming for conditions creates ; Own in turn UzPFL to teams convenience Create in order to Women from the teams contribution money get usually check puts , women teams contribution without money in competitions participation is enough Acquired money U-16 team expenses spend will be done.
